# WEDDING HOSTING

## OUR WEDDING HOST IS HERE TO CREATE A PARTY...BEFORE THE PARTY!

*Imagine the services of a Toastmaster, just a little bit funkier, trendier and with more emphatic enthusiasm to get the room whipped into a frenzy for your Wedding Breakfast. When you arrive, your wedding host will have all your guests on chairs, singing and clapping you into a big build-up song of your choice.*

*The wedding host will perform Napkin Swinging with guests to get a sense of their rhythm, which also acts as a perfect ice-breaker for guests that are sat together, but who might not know each other...*

*We initiate a Wedding Speech Sweepstakes where guests can guess the length of the traditional Wedding Speeches. An intimate game of Mr & Mrs sets the tone to find out exactly how well the newlyweds know each other...*

*A little chair singing to That's Amore and Sweet Caroline, and a grand exit procession lead beautifully into the Evening Reception.*

*It will create a party atmosphere right from the word "go"!!  
Have your host for the day then let him DJ in the evening.*
